

**Eastern PA Annual Conference  
Non-Plagiarism Form**

I recognize and acknowledge that presenting someone else's work as my own – whether verbatim or paraphrased – without providing proper credit is plagiarism and will not be accepted by the Board of Ordained Ministry. I further recognize that someone else's work does not simply mean printed text, but can and does include electronic (i.e. blogs, websites, etc.), oral presentations, essays, articles, etc. I certify that the written work that I have submitted is my own work or properly acknowledged in my work. Work discovered beyond these parameters will be rejected and therefore the file and work will be deemed incomplete and the interview will be cancelled.
