The Conference agreed upon giving the Annapolis District seed money to cover the cost of the musicians. The amount agreed upon was \$600.00. The cost of the musician is \$40.00 per rehearsal and \$60.00 per engagement. It will be explained to the musician is that checks are processed monthly and that we will request the funds prior to that date so the check can be given to the musician at an appropriate time. It was discussed that we need to keep a schedule of when and where the

choir goes. Make a determination of which engagement to take, how many rehearsals are necessary based on the funds in the treasury. If there are no engagements, that there will be no need for a rehearsal every two weeks. Once a month could be suffice. Rev. Williams has requested that the name be changed to the District Singers.

Meeting was adjourned in prayer by Rev. Thompson
