# A MOVEMENT of MEN

A Legacy Ministry Partnership to reach the hearts of men for Christ and help the church effectively minister to and through men.

## UMM Legacy Builders

*The triangle is a symbol for change. This represents a changed heart, like John Wesley's warmed heart.*

### **Mission**

*To set the hearts of men afire in Christ; equipping United Methodist congregations for ministry to and through men; blessing the church and world with men fully alive in Christ.*

## UMM Legacy: A movement of men that changes hearts

United Methodist Men are called to become leaders of change:

- Our purpose is to embrace a bold vision to change hearts. We believe that God calls us to action.
- Our UMM identity grows to become a movement of men.
- As men, we move from members to Legacy ministry partners.
- Our investment in men's ministry expands to meet present needs and launch bold new ministry outreach that reaches men, renews the church and changes the world.

The Legacy Builder movement is built upon a solid foundation of 10,000 UMM EMS members. Your shoulders will lift a movement of men. We ask you to make the move from *EMS Member, to Legacy Partner*. This begins as you invest regularly as a men's ministry investor-partner.

### Member to Partner – How does it work?

In a simple distribution plan, your regular gifts first pay for your EMS membership. The next portion supports vital mission and ministry needs today. Lastly, your gifts build in perpetuity within the UMM Foundation for future ministries of UMMen.

- \$10 monthly / \$120 annually
- \$25 monthly / \$300 annually
- \$50 monthly / \$600 annually
- \$100 monthly / \$1200 annually
- \$\_\_\_ other amount specified

### Member to Partner – How does it work?

Your regular investment builds bold ministry outreaches that will change the hearts of men, blessing families, churches, communities and culture.

At \$10 monthly, you cover your EMS membership, and support immediate ministry needs to reach men, mission projects and scouts/youth now.

At \$25 monthly, beyond EMS you provide for expanded capacity to meet the needs of men's ministries throughout the church at all levels.

At \$100 monthly, beyond EMS and operational ministry funds, your legacy builds the capacity of the UMM Foundation to provide long-term ministry growth in perpetuity.

### Reaching men, Changing hearts

Your support, resources and prayers are crucial to important work already begun, and new ministries that will launch a movement of men and lift the church.

- We are ready to start and grow a men's ministry [MM] team in every willing UM congregation. The MM team will work as partners with the pastor and lay men and women leaders to help the local congregation reach more men. Local churches will be served by many more men who know and follow Christ.
- Legacy Builder funds will recruit and train men's ministry specialists, who will build local church men's ministry teams. These men will seek a heart warmed by God, and so warm the hearts of others.
- We ask you to become a man with a heart warmed by Christ, and to make your heart "the gift that keeps on giving" to our families, church and world.

- Since our birth as an agency in 1996, UMM has strived to become financially self-sufficient. Our goal is to use denominational funding to reach thousands of men outside US borders. What a statement this would make to our church, and what an impact upon the world! Legacy Builders will enable this to happen!
- The UMM Foundation was established to ensure the continuation of vital ministries of United Methodist Men. UMM missions and ministries are limited today because of a lack of presently available funding resources. *We must build our economic base to respond to important ministry and mission opportunities!* Some who await our response include scouting/youth ministries, Upper Room Prayer Line, hunger and compassion ministries, mentoring and other important mission and ministry needs that cannot be met with currently available resources. All Legacy Builder funds will be handled and distributed by the UMM Foundation.
- Funds are needed to strengthen our own organization, and help our UMM leaders at all levels with resources and funds. Legacy Builder funding will strengthen our ability to train men at all levels, and reach men of all ages, ethnicities, and in every size church.
