Prices Include Applicable Taxes

Camp Overlook is owned and operated by the United Methodist Church. Non-United Methodist groups are welcome to use the facilities. Reservations may be made a year in advance but can only be confirmed for non-United Methodists six months prior to the event. Should such a group be "bumped," every effort will be made to switch to a satisfactory date or a full refund will be provided. Non-United Methodist groups conducting events on the same corresponding dates for three years will be guaranteed their dates and facility from year to year.

The facilities addressed on this page are generally best suited for youth and children which is reflected in the rates. Each facility has vinyl-protected mattresses on double bunk beds. Bedding and linens are not provided.
