

CHANGE

KIDS CAN HELP, TOO!

- The catastrophe in the gulf coast area is far from resolved.
- Resources in the region are still limited.
- Churches in the gulf coast region, needed more than ever by people in that area, have been hit hard by the exodus of their members and by damage to their buildings.
- Kids are among those who are suffering!
- The good folks of Biloxi, MS still need our help!

Even so,

WE BELIEVE THAT

- God has NOT abandoned the people of the gulf coast!
- God can do what FEMA cannot!
- God expects the Church to stand with these people in need!
- Our kids can help to!

BY

- Collecting loose change and putting it in a jar at your church in May
- Presenting the jar (with change, of course) at the District Conference on May 21, Newburgh, NY
