I am sending this annual report earlier than usual in hopes that it will get to you before your church's charge conference. The CSM program continues to grow and be a vital part of spirit-led ministries in the Eastern Pennsylvania Conference. We have again been able to train over 100 new Local Church Servants and recognize the presence and service of over 1000 *Local Church Servants* and *Christ Servant Ministers* in our conference. For those with access to a computer, please visit our CSM site -- www.gb-gm-umc.org/csm. There you will find registration and Annual Report forms available for download, calendar dates, and other CSM information. (Let us know what else you would like to see on the website!)

This note includes your Charge Conference Report form. **Remember:** If you wish to continue recognition as a *Local Church Servant* or *Christ Servant Minister*, you **must** complete it and have it recorded in the minutes of your church's charge conference. The Charge Conference secretary should keep the original and make copies for you, the Pastor, and the District Superintendent. Please keep a copy for your records and send copies to your District Representative and to me. District mailing information is listed in this note. **Failure to turn in this report can result in loss of conference recognition.**

Again, each District will try to present one Basic Course and one Advanced Course in the District during the upcoming conference year. Your attendance at training sessions and encouraging words to others to become Local Church Servants helps to build a dynamic Laity presence in Eastern Pennsylvania. (The Northwest District has scheduled a Basic Course for September 18-19 at Frackville UMC and the Northeast District has a course scheduled for Asbury UMC in Allentown on October 30-31).

As the Christ Servant Ministries program grows, we need your help with record keeping, communications, planning training opportunities, and/or serving on District Work Teams. If you are interested... drop me a note, so that we can have further discussion. Please prayerfully consider this request.

A registration sheet for 2 advanced courses that will be taught by Dr. J. Dennis Williams is also included. The first course is ***Christ Servant Ministers Preach, Part 1*** on March 19 & 20, 2010 at a location to be determined by registrations and is limited to 25. The other course is at Camp Innabah on November 13 and 14, 2009 and is entitled ***Worship in Spirit and in Truth***. This is the first time this course will be offered. The course is limited to 35 participants and is rapidly filling up. So don't delay in requesting a spot...

Looking forward to talking with you in the upcoming year.
