Children's 3-Day Mission Camp

FUN is the word for Children's Mission Camp. It is a place to make friends and where everyone is made to feel "special." The children will learn about the country of Sudan this year. They will learn about the culture, traditions, foods and games of the Sudanese. The arts and crafts will also relate to their study. Other activities include swimming, snacks, and movies.

The Children's Mission Camp provides a wonderful opportunity for children to learn about each other and children of other countries, while having a fun time on a college campus. It is a great opportunity for Mothers and their children to have a few days away from home to enjoy both separate and together time and activities, and to build lasting and positive faith-related memories.

Teacher/Leader Information

We are delighted to have Mary Beth Manns and Doris Brown returning to teach the classes this year. They are two ladies that are very active in their churches and love to work with children. Other staff will be added as needed.

1-Day Sampler

The children's sampler mission camp is just that, a taste of what the 3-Day Mission Camp children will experience. They learn that they are a part of a wider church family, make new friends, and realize lasting and positive faith-related memories. The Adult closing session includes a presentation by the children.

The children will leave with the staff at about 8:45 am, have class, lunch and afternoon class. They rejoin the adults for closing at 2:45 pm and share some of what they have learned. By 3:00 pm everyone is homeward bound.
