

The Board of Directors of the Central Texas Conference Walk to Emmaus wants to stress the importance of the commitment that must take place to be allowed to serve on a team. To be asked to serve on a team is a commitment of time, of money, and, most importantly, of servanthood. Each team member needs to be prepared to give his or her best to the team, to the Pilgrims or Caterpillars, and to God.

First, we ask for a commitment of time. If you accept membership on a team, you are making a commitment to be available for the weekend event, and for every team meeting prior to the event. These meetings are an important part of preparing the team members individually for the event and helping them bond into a unified whole. The team meetings also help leadership to assess each person's talents and determine where those talents can be used best on this event and in the future.

Second, we ask for a commitment of money. Each team member is asked to pay the same fee as a Pilgrim or Caterpillar. Expenses of the weekend event are based on the total number of people involved, so for each team member there is added cost to the Conference. Your support financially enables the Conference to serve more people.

Finally, we ask you to commit to being a servant – to putting yourself and your desires aside to serve God and the Pilgrims or Caterpillars. You will not be asked in what job you would like to serve. Every team member must be willing to serve in whatever capacity he or she is needed. You also need to be aware of the physical and emotional strains of the actual weekend event. Team members are always the first ones up in the morning and the last ones to bed at night. It is a tiring but rewarding experience! The joy and the mountaintop experience are there, but so is the climbing, and so is the giving – all weekend long. Serving on a team will be a blessing to you and you will be a blessing to others. You are needed!!!

I authorize the Central Texas Conference to perform a background check on me if I am 18 years or older.
