UPCOMING EVENTS!!

Sunday School Kickoff

August 30, 2009

School is back in session, the buses are back on the road and so it's time again for our Sunday School Kickoff! We give our teachers and pupils the summer off for some rest and relaxation, but starting August 30, we will be meeting again after church for our respective classes.

more personal. No, we don't take attendance and no, there are no stupid questions (or stupid answers!) Join us for a time of building, sharing and growing in your faith.

Not sure what class you are in?

Not sure what you might be interested in learning about? Maybe you have questions about your options and what we have to offer. Join us on August 30 for a fun morning and a chance to have all of these questions answered.

Pork Chop Supper

September 19, 2009

We know, we know; we've spoiled you in the past few years with our delicious pork chops, indoor accommodations free of bugs, rain and heat, and the amazing company of friends and neighbors from all around. All we ask is that you come on out and let us spoil you once again. Join us on Saturday, September 19 from 4-7pm. Rain or shine, we take care of a great meal and the cool bug-free air... you just bring the amazing company!! See you then!

"There is poetry in a pork chop
to a hungry man."
~Philip Gibbs (NY Times 1951)

Homecoming Weekend

September 26 & 27, 2009

Fall is my favorite time of year— I'm not gonna lie. And one of the best ways to celebrate this magical season is with your friends and family from McNatt!! Join us again this year for our Homecoming festivities. We'll have our annual Barn Dance Saturday evening and follow that up with a special

Homecoming service Sunday morning. If you haven't visited McNatt in a few years, we would love to have you come and see all of the changes firsthand. We'll also have a special speaker and music for our church service and of course, a carry in lunch after.

Looking for details, times or info. that you don't find here? Contact Marilyn Lieurance at (765) 348- 4610 for all the specifics.

What's a Cluster??

The United Methodist Conference has done some restructuring. They have moved from the old system of districts to a new idea of clusters. This is a group of churches of like size and location. McNatt has joined up with:

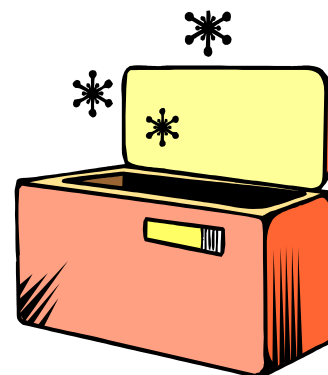

- Solid Rock (Warren, IN)
- Boehmer
- Poneto
- Liberty Center
- Asbury
- Keystone
- Petroleum
- Mt. Etna

We've had some preliminary meetings to brainstorm ways to enrich our ministry however we're still in the early stages. Watch for more as our cluster develops.

Apple Dumplings

We know, it's early....

... yes, it's still 90 degrees outside and we are still in a summer mindset- but it's NEVER too early to start thinking about apple dumplings!! Start salivating and (more importantly) cleaning out your freezer! Order forms will be out before you know it!!
