Dear Friends,

(example)

As a part of the new McNatt Church construction and landscaping project, we would like to add a paver section in front of the church between the two entryways.

For a $100 contribution, you may have a name inscribed on a brick to be placed in the paver area where they will be formed into a cross. On that brick, you may memorialize someone, represent yourself, your family or a friend.

(example)

When construction begins in the early summer, we would like to have on hand as many inscribed bricks as possible. See below to order a brick.
