For more information, check the webpage www.operationclassroom.org or write to ocmission@frontiernet.net.

WHITE ANTI DUST CHALK -- The schools have used the chalk we sent in 2006. Each OC teacher needs approximately 20 boxes of good quality chalk for the school year. Operation Classroom has 450 teachers. Therefore, 9000 boxes of chalk (12 sticks per box) are needed for one school year. {The chalk purchased in West Africa is very soft and crumbly, and is impractical for classroom use.}
