SHARING UMW BOOKS

Gulf Breeze United Methodist Women moved into good participation in the Program and that is good! However, several months ago about a UMW in Kansas that was not able to participate in the Program because they did not have books and that is NOT good. The Mary Miller Circle is researching their need, and learned that the prison unit had books that are current. Mary Miller Circle has a gift of \$250 to be used in the purchase of books. Circle members offered books from their library to be sent later, only to learn that material can be sent into the prison library only if ordered by the prison library. Therefore, except for the books on the UMW Reading List, only the books on the UMW Reading List can be sent.

Instead of one unit, there are two units: the WHWI circle in minimum-security prison (Women's Side), and the WFJAM circle in maximum-security prison (Women's Mercy). As women complete their sentences and are referred to a UMW unit near their home,

A portion of their thank you letter is:

Received your letter and the check for purchase reading books from the Fellowship. The generous gift will be used with a selection of materials for our UMW at Topeka Correctional Facility. I have discussed each category to purchase from the women would like for me to purchase them when I attend School of Mission. The books ordered are:

Education for Mission: Creating a Habitat for Humanity

Nurturing for Community by Grace

Social Action: Confronting the Controversies

Spiritual Growth: Healing for Broken Hearts

Also we reordered the 2009 Prayer Book (someone stole copy.) We hope when we receive our first copy will be blessed if they are used.

The Mary Miller Circle plans to send books for the next two years in order to provide a section of reading for these, our friends have been side tracked briefly.

Yours in Christ,
Sara Murday
