

PROGRAM GRANTS

Is your church filled with excitement over a new, creative or innovative program that you would like to initiate?

Have you been thinking about starting a new teaching ministry, like Disciple Bible Study or a video series?

What about setting up a Christian educational outreach?

All sounds pretty great – right; but, you just don't have the funds to get started.

The Saginaw Bay District Council of Ministries is offering churches in our district an opportunity to obtain needed money, through Program Grants.

The Grants are not for building items; however, they are for new church programs.

Grants must be received by April 15, 2008 and a one-page progress report concerning the program's outcome will be required.

Only churches who have paid 100% of their apportionments for the previous year will be considered for a Program ministries "rebate" grant.
