“Setting Up a Local Church Endowment Fund” workshops

*A practical plan to help fund
your future ministries!*

Attend one of fourteen workshops
February 19 through July 9, 2005
10 a.m. to 2 p.m. (except Arcata) – See over...

Presenters: Mark Parsons, Betsy Schwarzentraub, Cheri Kraus, Susan Peters, Janet Horsell, Howard Sanborn, Karla Bowman, and Edna Andres

You'll get to: Examine what an endowment fund is, and why and how it can help your local church. You'll receive all the resources to put an endowment fund in place or revise your current endowment fund, as well as an Endowment Handbook for your congregation. The foundation will help your individual church take the next steps, at no charge.

Churches do not have to be big or rich to receive planned gifts or plan to support their future ministries! Bring a team from your church, to benefit the most.

COST: Only \$12/person, including meal, workshop, and Handbook.

Sponsored by the CA-NV United Methodist Foundation
