Sponsors, please read the following carefully and give it your prayerful consideration.

Emmaus is a method of Christian renewal in the church. Individuals recommended for Emmaus should currently be an active member in a local church and have a desire to deepen their faith and to become closer to Christ in their discipleship.

Because of the various weekend responsibilities associated with sponsorship, you are asked to not serve on team for the weekend that your pilgrim will be attending. As a sponsor, you provide information to the applicants in order to assist them in their decision to attend a weekend, to help them enter fully into the Emmaus fellowship after the weekend, and provide prayer, other support, and transportation to and from the weekend.
