

## Rhonda Fields

---

Being part of Wesley United Methodist Church has helped me grow in ways that I never could have imagined and I love it!

Some of the things that I love about Wesley are the people, the fellowship, and the small groups. I absolutely love the people and the sense of belonging at Wesley. My goal is to make others feel as warm and welcome as everyone made me feel. The fellowship is terrific; we've made so many wonderful friends. I love working with the Sunday School classes and the Youth Group. Those kids are simply awesome. Every time Geoff or Scott asks me to chaperone an event and I think I'm going to help with the kids, I find that I am the one being blessed. The mission trips that we've gone on—I can't say enough about those. Not only are they wonderful learning and growing opportunities, but we've learned to give, to be servants, and to put others first in a "ME-first" world. We've learned how to care about the people that the world has taught us we are not supposed to care about. The mission trips have also been a good opportunity to grow closer as a youth group. I've found that we've been able to forge some amazing, unbreakable bonds on those trips. The other thing I love about Wesley is the small groups. I appreciate the opportunities I have had to learn and grow. I keep finding that I am hungry for more but that I am being filled and satisfied in new and exciting ways. Thank you. I hope I never stop growing and learning.

I feel that being at Wesley had helped me become a better wife, a better mother, a better friend, I guess to sum it up, just a better person.

My family is growing together in Christ and I wouldn't have it any other way!
