
Steve Spence

Steve Spence began to open his heart and mind to God in 1958 through the influence of neighbor and Sunday school teacher at Evangelical United Methodist Church, Harry Porter.

Steve and his wife, Judy, were introduced to Wesley United Methodist through their son, Chad. They became a welcome addition to Wesley in 2007 and Steve says that his involvement with Wesley has increased the closeness and strength of his relationship with Christ.

He loves to help people and has often served the body of Christ by volunteering for behind-the-scenes work at the church. It is this attitude of loving and caring for others that he most hopes will affect others' relationships with Christ here at Wesley and wherever he goes.
