- There are many ways that you can provide support to the Missouri Conference United Methodist Men. Consider the following:
- Remember the MCUMM in your will, trust or other estate plans.
 - Create a Charitable Gift Annuity benefiting the MCUMM. This gift arrangement offers helpful tax savings and can actually increase current income from a low yielding asset such as a CD.
 - Give appreciated property (stocks, mutual fund shares, real estate) rather than cash for added tax savings.
 - Create a Charitable Remainder Trust for tax savings and income.
 - Give a future interest in a house or farm.
 - Create your own Designated or Donor Advised Fund at the Missouri United Methodist Foundation.

A New Era...

Many opportunities are before us, with the merger of the conferences and the coming together of the United Methodist Men statewide. Your UMM charter unit is now part of a statewide network of active local church units, 12 district leadership teams and the conference executive committee. Furthermore, we are connected with our counterparts in other states and the national UMM ministries through the General Commission on United Methodist Men.

Your Missouri Conference United Methodist Men are poised and ready for a new era of friendship, fellowship, discipleship and service. We need your help in this new venture.

The Challenge...

After many meetings, lengthy deliberations, and input from members across the state, the executive committee has identified the following as critical needs for the future:

- A Missouri Conference United Methodist Men's Executive Director to organize and coordinate the day to day activities of the organization.
- Better communication by mail, e-mail, and an interactive web page.
- Better and more extensive training for local leaders.
- Resources for local chapters.
- Start-up assistance and outreach for new local charter units.

The Goal...

To accomplish these goals we need sustaining financial support. The plan is to build an operational endowment of \$1 million for the Missouri Conference United Methodist Men. This goal is within our reach if every member will make a simple commitment: A one-time investment of \$200.

We call this the Missouri Men 5000 Fund. If 5,000 members will pledge \$200 over the next two years, we can create a \$1 million endowment that will fund the ministry needs that have been identified.

Let's Do the Numbers...

- Current UMM membership in Missouri = 5,400
- Total number of men in our churches = 40,000+
- \$200 spread over 2 years is about 28 cents a day.
- There are 954 churches in Missouri, we need about 5 men from every church.
