

## Do you have a passion for Contemporary Worship?

Maybe you are a gifted musician i.e. drums, percussion, horn, piano, guitar, and more! Perhaps singing and/or dancing is your gift!

Are you a tech geek: sound, computer, etc.?

Perhaps you are enthusiastic about the prospect of seeing a contemporary worship service become a reality, but have no musical or technical ability.

Are you a strategic thinker? Maybe you like taking notes at meetings. You might like setting up and taking down equipment. Are you a resource person: one who likes gathering information?

If any of the above applies or you have the passion, then serving on the Praise Team may be for you!

By choosing to join the Praise Team, you'll be choosing to be a part of an exciting new ministry. You'll have an opportunity to deepen your relationship with God through service: service that includes bringing God's Word to our congregation and the greater community in new and different ways.

We ask that each of you continue to pray for our church and contemplate what gifts you have to offer whether to facilitate this new avenue for ministry or another area of service.
